American Friends of Helping Hand Coalition...

The Helping Hand Coalition/HHC Global Forum are networks of international humanitarian organizations addressing the needs of the needy people of Israel, especially Holocaust Survivors.

MORE ABOUT THE COALITION

Since 2005, the Helping Hand Coalition (represented in Israel by the Helping Hand Foundation) has provided continuous aid to nearly 80,000 victims of the Holocaust in over 70 cities throughout the country. The Coalition distributes food, clothing and financial grants. HHC also coordinates social events bringing joy to Israel's Holocaust survivors. In addition, the Coalition provides much needed relief to victims of terror attacks, natural disasters and war.

GIVING & PARTNERING IN THE USA

As Helping Hand Coalition has grown, so too has the number of supporters in the United States. *American Friends of Helping Hand Coalition* was established as a non-profit in order to raise awareness for the Coalition in North America, as well as to qualify for tax-deductible status as a 501(c)(3). Each year, AFHHC sends "VolunTours" of American volunteers to Israel to show love to survivors.

Did you know there are over 150,000 Holocaust Survivors still alive in Israel? Now is the time!

COALITION INITIATIVES

HHC coordinates several ongoing projects, and produces many events in Israel and abroad. One of the most successful projects is the **Survivor Shalom House Program**, hosted by HHC, where survivors and guests assemble in over 30 communities throughout Israel on a regular basis for a meal and fellowship. Many survivors suffer from symptoms of Post-Traumatic Stress and are often lonely and depressed.

The Helping Hand Coalition has an active partnership with the Israeli Knesset (government), both in co-sponsoring projects such as advocating for victims of war and terror, as well as for the expansion of aid to Holocaust survivors. The Helping Hand Coalition also facilitates greater cooperation with the

World Evangelical Alliance. Each year, the Helping Hand Coalition co-sponsors an event at the **Israeli Knesset** to honor international Christian organizations such as the **International Christian Embassy Jerusalem, Christians for Israel, GAIIN, March of Remembrance** and several other organizations and individuals who support Israel's Holocaust Survivors. Following a Knesset event in 2011, the **Helping Hand Coalition Global Forum** was formed, representing the largest consortium of Survivors in Israel.

For Each \$25 monthly gift, Helping Hand Coalition is able to meet the needs of one Survivor or under-privileged person in Israel.
